This student has expressed desire to attend a US Service Academy, such as the Military Academy at West Point or the US Naval Academy. Admission to these academies is extremely limited, highly competitive, and an appointment is an esteemed honor and achievement. After successfully completing a rigorous four-year program in one of these competitive schools and receiving a first-rate education, a successful graduate will be pledged to serve a term as an officer in the Armed Forces.

In order to apply to a service academy, an applicant must obtain a nomination from an authorized source, and this applicant has requested a nomination from Congressman Stephen Fincher, Representative of the Eighth District of Tennessee. Congressman Fincher and his Academy Selection Committee would appreciate your thorough and honest evaluation of the applicant's fitness for US Service admission and ensuing military career. The academies consider evidence of character, scholarship, leadership, physical aptitude (athletic ability), medical fitness, and goals and motivation in determining each applicant's "whole" "person" evaluation.

Congressman Fincher has designated staff, and his Academy Selection Committee will hold your comments in the strictest confidence. Thank you and we appreciate your assistance.

Before a candidate can receive an offer of appointment to a service academy, the candidate must obtain a nomination from an authorized source. Congressman Stephen Fincher is honored that as a U.S. Congressman, he is able to submit nominations from his constituency. A student can also apply for nominations through U.S. Senators, the President and the Vice President. If a parent is presently on active duty and has served in the military for at least eight years or is retired, a student may apply for a presidential nomination through the military. Children of deceased or disabled veterans or children of Medal of Honor winners may apply for a nomination directly from the service academies.

Acceptance of an offer of appointment from an academy involves at least a nine-year obligation to military service – four years at the academy and five years of active duty service.

GENERAL INFORMATION

Each member of Congress may nominate only persons legally domiciled within the boundaries of his/her district. If you are unsure of your district of residence, contact your local election commission.

Each member of Congress may nominate as many as ten students per each allotted vacancy to the Air Force, Military and Naval Academies.

Each member of Congress may nominate statewide, ten persons to compete for an appointment to the Merchant Marine Academy.
